#### REMARKS.

**Please Read.** Send orders early to prevent disappointment. Do not order anything you have not a reasonable expectation of buying if found correct, and return anything not desired as soon as possible after receipt of goods. Some of the coins, etc., in this list are out on approval now, but are included, as they may be returned. Coins sent on approval to responsible buyers. Remittances should be made by Money Order, Postal Note, Registered Letter, Check or Draft. Don't send stamps of high values. Address all letters plainly, and make money orders, etc., payable to Chas. Steigerwalt, 130 East King Street, Lancaster, Pa.

**Note.** This collection is particularly choice, and is the largest ever offered for sale at fixed prices. It contains many gems, and all the rarities in the silver and copper series, except the 1804 dollar. The prices have been made low, as it is desired to clear the whole collection as soon as possible, that the amount realized may be invested elsewhere.
